First Day of PreK

Dear Families

We are off to a great start at Woodinville Country Day School! The staff members of WCDS have been very busy getting the school ready for Fall! We are so excited to be using all four classrooms this year! This is an exciting time for all of the students!

Thank you for all of your patience in the parking lot. It gets easier as we all get settled into our schedule. Don't forget that we are a nut-free zone! Students should be coming to school with a lunch box and water bottle each day.

The PreK class will be putting their senses to the test next week with touch, taste, and smell! The 4's class will be learning about Sunflowers and Shapes! The 3's class will be getting messy and making berry JAM!!! Yum!

September is a fun month! We focus a lot on routines, friendships, and names. By the end of September, the entire school will be focusing on apples...counting, sorting, tasting, and stamping.

Cheers to a fabulous school year!!!

Henny Penny

Egg-xtra! Egg-xtra! Read all about it!

Have you met the chickens yet?! The learning flock at WCDS gives students the opportunity to interact with our hens and learn all about chicken-keeping, including the delight of collecting fresh eggs from the nesting boxes every day! Each month we'll feature one of our feathered gals here, beginning with Henny Penny!

Henny Penny hatched on April 13, 2016, and she was part of the original brood of chicks that first formed our flock! As a dark brahma, her breed is known for being docile with children, and Henny Penny absolutely lives up to that description, proving to be a gentle giant! In addition to being a very sweet pet chicken, Henny Penny lays a delicious, extra-large, cream-colored egg five or six times a week!
